

## Task 9: Isolated Signs

Category:	Denomination
Main target:	Informant A/B
Description:	<p>Single pictures and, where needed for clarification, written words are used as stimuli. The informants are asked in turns to give isolated signs for the concepts shown. They are also encouraged to add to the other person's answers whenever they know a different sign for a certain concept. The task covers the following areas:</p> <ul style="list-style-type: none"><li>• Dates (12 items)</li><li>• Vehicles (8 items)</li><li>• European countries (31 items)</li><li>• Weather conditions (7 items)</li></ul> <div><div><p>Friday, 5. April 1824</p></div><div></div><div><p>Italy</p></div><div><p>snow</p></div></div> <p><i>Examples from the English version (one item per group)</i></p>
